

NEUTRAL *Proods*

2023

From studio to street, stay in motion with the comfort and flexibility of Motionwear's Neutral Moods collection. Crafted from our signature Silkskyn fabric and featuring soothing neutrals of the season — Chocolate, Mauve, and Mocha — this collection is inspired by the psychology of modern color theory and its impact on our moods.

Our newest, relaxed active silhouettes evoke positive emotions and are designed with comfort and fit in mind. Look great and feel fabulous in one stylish step, before and after your workout, with Neutral Moods.

Chocolate SILKSKYN

BALANCED AND VERSATILE. Conveying a sense of sensuality and self assurance, the richness of chocolate brown is replacing black as the season's "IT" color — so consider dark brown your new neutral. Welcome this sophisticated shade into your comfort zone for an effortlessly stylish confidence boost that puts you at ease... just like a warm embrace!
